EDITORIAL

Dear Readers,

It gives me immense pleasure to present the latest edition of the LJ Eye Institute Newsletter. Each issue is a reflection of our continued commitment to excellence in eye care, education, and research.

The past month has been remarkable — from introducing advanced Z8 LDV femtosecond laser for bladeless robotic cataract surgery, refractive surgery, and keratoplasties. This ensures fast surgical procedure and healing process as well

At LJ Eye Institute, we firmly believe that knowledge must be shared — with our patients, with our students, and with the larger medical community. Through this newsletter, we aim to bring you not only updates about our institute but also insights that empower better eye health practices.

As we move ahead, our vision remains clear: to combine compassionate care with cutting-edge innovation, ensuring that every individual who walks through our doors experiences the highest standard of ophthalmic care.

I thank you for your trust and support in our journey. Together, let us continue to spread the light of vision.

Warm regards,
Dr. Vikas Mittal
Medical Director
LJ Eye Institute

NEWS LETTER

AUGUST'25

THE CELEBRATION

On 15th of August, whilst the whole of India was celebrating the 79th Independence day, L J Eye Institute held its own set of short but meaningful celebrations, despite our busy OPD schedule.

THE NATIONAL FLAG HOISTING

Dr. Urvish, Glaucoma Specialist & Paediatric Ophthalmologist, and Academic Head, proudly hoisted the National Flag on the Institute's roof-top. This was followed by the National Anthem, sung by our dedicated staff members.

Sweet Laddoos were distributed amongst all, except those who observed fast due to Janmashtami.

THE PARTICIPANTS

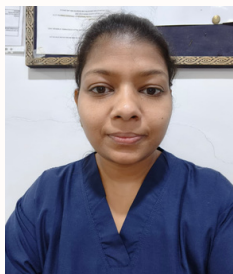

All the members of LJEI including, Dr Vikas, Dr Ruchi, Dr Neha, Dr Gauri, Dr Ishan, Dr Apurv, Dr Sonia, Dr Gargi, Dr Tanisha, Mr Vinod Vyas, Ms Preeti, Ms Archana, Mr Manish, Mr Raman, Mrs Ruby, Mr Harminder, Mr Jasbeer, Mrs Manju and all the teams like Team Community Outreach, Team Optom, Team OPD Management, Team Accounts and all the non clinical and managerial staff were the part of the celebration

L J EYE INSTITUTE- BEYOND AN EYE HOSPITAL

OPD, ACADEMICS & RESEARCH WALK TOGETHER IN PACE, IN THE L J CORRIDORS

In Academics we warmly welcome Dr Tanisha, who Joined as a cornea fellow on 18th of August 2025. She has now become an integral part of the L J family.

2025 GROWTH OF L J SCHOOL OF VISION SCIENCES

Three years ago L J school of Vision Sciences started educating 3-4 students with a vision for excellence.

Today, in this academic session L J Vision School has registered 12 students.

The journey of L J School of Vision Sciences demonstrates remarkable growth as well as, our commitment to nurture future eye-care professionals.

NEW TECHNOLOGY

“Science is ever-evolving”

As per Darwin's rule, only those who adapt, survive!

To keep pace with time and advancements, L J Eye Institute recently procured the Robotic Z8 LDV FemtoLaser, the first of its kind in the North India.

HIGHLIGHT

**BLADELESS
ROBOTIC
CATARACT
SURGERY**

This cutting-edge, low-energy & high precision technology is a major milestone in our journey towards excellence

**ROBOTIC
REFRACTIVE
SURGERY**

**ROBOTIC
CORNEAL
SURGERY**

DEEP DISCUSSION IN
MAKING PATIENTS LOOK
"STRAIGHT"

HANDS ON WET LAB

LIVE SURGERY

MENTORED RESECTION,
RESECTION & PLICATION

"Straight Talk" Workshop

Dr Urvish Vashist, served as the esteemed Course Mentor for this enriching programme. Participants engaged in comprehensive discussions on surgical steps of Squint surgery. They witnessed real time surgical procedures for practical learnings. Moreover, had hands-on experience during the wet-lab session.

INTERNSHIP OF THE GMN COLLEGE STUDENTS **COMPLETED**

8 students successfully completed their internship on 19th
August 2025.

Corporate exposure was a part of their curriculum, L J Eye
Institute proudly facilitated this valuable learning experience for
the students of GMN college.

SHARING EXCELLENCE

Our Medical Director, Dr. Vikas Mittal, under his mission of “SHARING EXCELLENCE” recently visited RNT Medical College, Udaipur, to share his expertise on cornea.

He performed 3 DSEK Surgeries and mentored 3 others.

It was a historic moment since, it happened to be the first endothelial keratoplasty done in the college's OT and remarkable 6 endothelial keratoplasty surgeries were performed in two days.

While Dr. Vikas, mentored them on the Cornea, our Vitreo-Retina Surgeon Dr. Ruchi Mittal took care of the Retina by delving deep into OCT.
